

ALOHA KAHO'OLAWE

A Campaign to Continue Restoration of & Access to Kaho'olawe

In order to help subsidize our public programs, Hawai'i State legislators have challenged the Kaho'olawe Island Reserve Commission (KIRC) to **exhibit community support** of our work.

By demonstrating that our community values the historical, cultural, ecological and community building resources shared through the Kaho'olawe Island Reserve, we aim to boost the State's potential financial investment in our continued operations.

Please help by joining as a member today.

If you have been impacted by Kaho'olawe — as a volunteer, friend, teacher, student, researcher or otherwise interested community or family member, we hope that you will join in our campaign to **Aloha Kaho'olawe**. With your support, we will see the continuation of Kaho'olawe's restoration, protection, preservation and access for generations to come.
