ALOHA KAHO'OLAWE, a campaign to continue restoration of and access to Kaho'olawe, invites participation through donations, memberships, partnerships and legislative support. By building consensus that there is value in the historical, cultural, ecological and community building resources shared through the **Kaho'olawe Island Reserve**, we aim to demonstrate a greater need for investment by the State. Your support contributes directly to the sustainability of KIRC programs, which are dedicated to the rebirth, restoration and flourishing of Kanaloa Kaho'olawe and its surrounding waters for generations to come.
