HEAVY-DUTY PAPER SHREDDER - NEW (about \$1,000) or USED (would be great, too!)

Shredded paper is bagged and sent to Kaho'olawe where Restoration Program staff and volunteers compost it with food scraps. Once composted, it's taken to planting areas, mixed with mulch materials (including wood chips) and mulched around fragile native plantings, shrubs – and soon trees – creating mini-ecosystems that

The KIRC is a 170(c)(1), a government agency authorized per IRS Publication 557 to receive tax-deductible contributions to its public purpose programs – such as Cultural, Ocean Resources, Restoration, Reserve Operations and the Reserve Education, Admin Center & Museum Building Program. Donations should be made to the Kaho'olawe Rehabilitation Trust Fund.

As with all donations, donors should always consult with their tax advisors before claiming any tax-deductible charitable contributions.

protect the plants. As it decomposes, it breaks up the hardpan, allowing our native plants to sink their roots into living soil.
