HOUSE BILL 1224
RELATING TO THE KAHO`OLAWE ISLAND RESERVE**

I support House Bill 1224, authorizing a portion of the conveyance tax revenue to be used to replenish the Kaho`olawe Rehabilitation Trust Fund for the long-term restoration of Kaho`olawe.

Please describe your experiences on Kaho`olawe and what Kaho`olawe has meant in your life. The funding will allow the KIRC to continue volunteer programs on island, continue the restoration effort and to make improvements that support meaning use of the Kaho`olawe Island Reserve.

You can also highlight:

- Why is it important to have volunteers continue with the restoration of Kaho`olawe.
- What you have learned and experienced on a volunteer service trip.
- The importance of protecting the natural and cultural resource of the Kaho`olawe Island Reserve.
