The Kaho'olawe Island Reserve Commission (KIRC) has announced the trolling schedule (for permitted vessels only) for the month of November:

Saturday and Sunday, Nov 2 and 3  
Saturday and Sunday, Nov 23 and 24

Hawai'i Administrative Rules (HAR 13-261) require that all vessels must register annually with the KIRC before entering the Reserve to troll during designated trolling dates.\* Registered vessels are also required to file a catch report with the KIRC any time they fish in the Reserve, whether fish are caught or not. A \$25.00 permitting fee will be applied to the required registration process.

Access to the Kaho'olawe Island Reserve waters is highly restricted because of the continued presence of unexploded ordnance, as well as for the protection of marine resources within the Reserve. However, during two scheduled weekends each month, limited trolling is allowed in Reserve waters deeper than 30 fathoms for vessels permitted by the KIRC. "Reserve waters" are defined as within two nautical miles of Kaho'olawe Island. All other fishing, ocean recreation, commercial and/or any other activities are strictly prohibited.

*To register with the KIRC, or for more information, contact Dean Tokishi at 808-243-5889, [dtokishi@kirc.hawaii.gov](mailto:dtokishi@kirc.hawaii.gov), or visit <http://kahoolawe.hawaii.gov> to download a registration packet. Registration packets are also available at the Division of Boating and Recreation (DOBOR) at 101 Ma'alaea Boat Harbor Road, Wailuku.*
