"Be Vigilant"

'Auku'u (*Nycticorax nycticorax*)

Be aware of what we are bringing to Kaho‘olawe

Biosecurity is everyone's responsibility. Help keep Kaho‘olawe Island Reserve (KIR) free of new harmful introductions and **Invasive Alien Species (IAS)**. Please carefully inspect all vessels, materials, and personal gear transported to the island for **IAS**. For more information contact KIRC 808-243-5020.

Be on lookout for IAS Plants and Animals

(Rodents, lizards, insects, weeds, seeds and soil)
